The Pillars of Creation

2026-05-27

A spectacular view of interstellar gas and dust in the Eagle Nebula. Captured in near-infrared light, this cosmic landscape reveals new stars forming inside the dense columns of dust and gas.

Color Palette

Background: Deep Space Blue (#0B0F19)

Boxes: Dark Slate (#161F30)

Search Button: Bright Blue (#3B82F6)

Save Button: Cosmic Pink (#EC4899)

Text: White for titles, Grey for descriptions.

Typography

Titles: Big, thick, and bold for a modern look.

Descriptions: Standard clean font with extra line spacing so it is easy to read.

Branding

- Text based minimalist header using a neon blue-to-purple gradient string
- Uses crisp, subtle geometric borders instead of heavy shadows to keep things sharp and lightweight
